

LIDO CHANDELIER - 6 GLOBE - 49" X 32"

The Lido 6 Globe Chandelier offers a dynamic sense of texture, movement and rhythm. Its sculptural form draws from an unexpected convergence of influences—the fine-lined craftsmanship of Federal-era furniture and the streamlined, horizontal motifs of 1930s nautical design. The soft glow of Lido's hand-blown opal glass globes create shadow lines that emphasize finely sculpted details. Available in several formats for dining and living room installations.
