

LIDO PENDANT GLOBE

The Lido Pendant Globe brings rhythmic form and sculptural texture to overhead lighting. Drawing from the fine craftsmanship of Federal-era furniture and the streamlined geometry of 1930s nautical design, Lido's distinctive profile pairs timeless beauty of turned wood and hand-blown glass. Suspended from a custom segmented brass chain that beautifully complements the wood detailing while allowing the fixture to hang at the ideal height for your space. Perfect in an array or single accent.
